

Uniflow® Granular Activated Carbon Cartridges

The Uniflow range of Granular Activated Carbon (GAC) Cartridges offer excellent reduction of taste, odour, chlorine, chemicals and organic contaminants.

Utilising the large surface area of granular activated carbon as well as greater contact time achieved by longitudinal flow, these cartridges are highly effective in improving water quality and taste.

The scale reduction carbon cartridge has the same benefits as a standard GAC cartridge with the addition of phosphate to reduce scale build-up, protecting water lines, fixtures, appliances and commercial equipment.

The silver impregnated carbon cartridge reduces colour, taste, odour and organic contaminants while also inhibiting bacteria growth for non-chlorinated water supplies.

Benefits

- Excellent taste & odour reduction
- Increased carbon contact time
- Silver impregnated models
- Softening models
- Lengths - 10", 20"

Applications

- Drinking water filtration
- Food & Beverage
- Pre and post-filtration
- Commercial & Industrial
- Water Treatment

Order Code	Size (Inches)	Rating (Nominal)	Flow (LPM)	Description
FCG-1025-5	10" x 2.5"	5 Micron	12	Granular Activated Carbon Cartridge - Standard Diameter
FCG-2025-5	20" x 2.5"	5 Micron	24	Granular Activated Carbon Cartridge - Standard Diameter
FCG-1045-5	10" x 4.5"	5 Micron	30	Granular Activated Carbon Cartridge - Large Diameter
FCG-2045-5	20" x 4.5"	5 Micron	40	Granular Activated Carbon Cartridge - Large Diameter
Silver Impregnated Cartridges				
FCG-1025-5S	10" x 2.5"	5 Micron	12	Silver Impregnated Carbon Cartridge - Standard Diameter
FCG-2025-5S	20" x 2.5"	5 Micron	24	Silver Impregnated Carbon Cartridge - Standard Diameter
FCG-1045-5S	10" x 4.5"	5 Micron	30	Silver Impregnated Carbon Cartridge - Large Diameter
FCG-2045-5S	20" x 4.5"	5 Micron	40	Silver Impregnated Carbon Cartridge - Large Diameter
Specialised Cartridges				
FCS-1025-K	10" x 2.5"		11	KDF/Granular Activated Carbon Cartridge
FCS-1025-P	10" x 2.5"		11	Triple Action - Scale Reduction Cartridge (Phosphate)
FCS-1025-R	10" x 2.5"		11	Softening Resin Carbon Cartridge
FCS-1025-MB	10" x 2.5"		11	Mixed Bed Resin - Deionising Cartridge (no carbon)
