

## Uniflow® Industrial Housings

With durability and performance in mind, the Uniflow Industrial range of FDA approved housings offers a comprehensive solution for a wide range of filtration applications.

Manufactured from virgin polypropylene to exacting quality standards, these robust and reliable housings will not leach chemicals into the filtrate stream.

Available in both 10" and 20" lengths in both standard and large diameter configurations, most models include pressure release as standard.

All housings are supplied with Buna-N O-Ring as standard and suit DOE and SOE cartridges.

Maximum Temperature:	Standard	52°C
	Large Diameter	38°C
Maximum Pressure:	Standard	8.6 bar
	10" Large Diameter	6.9 bar
	20" Large Diameter	6.2 bar

### Benefits

- Quality industrial housings
- Reliable & robust construction
- Standard and Large Diameter
- Suits DOE and SOE Cartridges

### Applications

- Drinking Water
- Food Service
- Beverage Production
- Rain Water

Order Code	Size	Port (")	Description	Max Flow
FHG-1025-14BK	10"	¼	Black 10" Slimline Housing - ¼" Ports (No pressure release)	14
FHG-1025-34BK	10"	¾	Black 10" Housing - ¾" BSP with pressure release	38
FHG-2025-34BK	20"	¾	Black 20" Housing - ¾" BSP with pressure release	76
FHG-1045-1BK	10" LD	1	Black 10" Large Diameter Housing - 1" BSP with pressure release	76
FHG-2045-1BK	20" LD	1	Black 20" Large Diameter Housing - 1" BSP with pressure release	90
Bracket Kit - Includes Screws				
FHB-1025-14SS	Single Stainless Steel Housing Bracket Kit to suit 10" Housing with ¼" Ports			
FHB-1025-34SS	Single Stainless Steel Housing Bracket Kit to suit 10" Housing with ½" and ¾" Ports			
FHB-1025-14DW	Double White Steel Housing Bracket Kit to suit 10" Housings with ¼" Ports			
FHB-1025-34DW	Double White Steel Housing Bracket Kit to suit 10" Housings with ½" and ¾" Ports			
FHB-1045-1SS	Single Stainless Steel Housing Bracket Kit to suit 10" and 20" Big Blue Housing			
FHB-1045-1DS	Double Stainless Steel Housing Bracket Kit to suit 10" and 20" Big Blue Housings			
Housing Spanners				
FHS-SW1	Plastic Housing Spanner to suit ¼" Port Housings			
FHS-SW2	Plastic Housing Spanner to suit ¾" Port Housings			
FHS-SW3	Plastic Housing Spanner to suit 10" LD Housings			
FHS-SW4	Plastic Housing Spanner to suit 20" LD Housings			

Note: Flow rates are based on clean water without a cartridge. Please check cartridge flow rates to determine flows
